

St. James' Testimonial Banquet To Offer Star-Studded Program

Featured Guest Singer Example Of Remarkable Recovery From Tragic Cocoanut Grove Fire

WALTER T. KENNEY

"RED FEATHER CHAIRMAN"

Plans are nearing completion for what is expected to be one of the finest Testimonial Banquets to be tendered any organization in this town, when the parishioners of St. James' in the Heights section fete the members of St. James' Girls' Softball Team at Robbins Memorial Town Hall on October 11, at 7 o'clock.

Joseph H. Gaudet, narrator for the Archdiocesan Holy Name Choral Society will act as master of ceremonies for the occasion. The ability of the master of ceremonies to take over this important role is known not only here in the Town of Arlington, but throughout the archdiocese of Boston. A star studded program of entertainment will be furnished for the evening and among the stars to appear will be Miss Doty Myles.

Ootzy — the night club thrush the doctors once said would never sing again, will render a few of her selections in this never to be forgotten evening.

The story of Dorothy, a member of the faculty of the School of Contemporary Music, Newbury Street, Boston, is one of almost unbelievable courage. This attractive brunette singer was so critically burned in the Cocoanut Grove disaster, November 28, 1942, that for months doctors despaired of saving her life. Dorothy, however, crossed up the doctors. She got better, only to be informed she never could hope to resume her professional career. But then it was that the miracles of plastic surgery matched the miracle of her courage.

Four Hundred Citizens Appeal For Action On Poor Streets

Joint Boards Agree To Give Consideration With A View To Lessen Cost To Residents

Four hundred interested citizens of Arlington attended a public hearing on Monday evening, in the Robbins Memorial Town Hall, Arlington, conducted by the joint Boards of Selectmen and the Department of Public Works, on the proposed change in the standard for acceptance and construction of streets in the town. The hearing was called at the request of Frederick C. Glynn of Valentine road and a group of residents who live on unaccepted streets, many of which streets are in a deplorable condition. These residents ask that Grade 2 construction, i. e., streets without sidewalks or curbs, be built.

The Town of Arlington has over thirty-eight miles of unaccepted streets, and according to those who spoke at the hearing, many are nearly impassable, especially in the spring of the year, or following heavy rains. It was contended that there are streets where the fire department cannot get through, because of the narrow width of the streets.

Five speakers, representing the residents of the unfinished streets particularly stressed the fact that the bad roads presented the fire hazard as of major importance, as so many roads were impassable during the winter months.

The present construction of the streets, call for Grade One streets which would cost the residents an estimated nine hundred dollars. The Grade Two streets can be constructed for the sum of two hundred dollars, it was stated.

Following the hearing, a joint session of the two Boards was held and it was the consensus of opinion that prompt consideration be given to applications filed for the streets that would bring about a lesser cost to these residents.

Noted Speakers To Feature Golden Testimonial Tonight

Final plans for the testimonial dinner to be given Town Clerk James J. Golden at the Robbins Town Hall tonight (Sept. 29), were completed at a meeting of the general committee last Thursday evening.

Another meeting was held Sunday, at which time the list of speakers was announced. They are:

Rt. Rev. Msgr. Matthew J. Flaherty, pastor of St. Agnes' Church; Rev. John Nicol Mark, minister of the First Congregational Parish (Unitarian Church); Thomas Carrens, vice-president of the Boston Edison Company; Selectman Joseph Peterson, town moderator Ernest W. Davis and Jack Sullivan, of Danbury, Conn., a personal friend of Mr. Golden. Former Selectman Harold M. Estabrook will be toastmaster.

A very large number of reservations have been made and it is expected that about 300, representing all sections of the town and several representative groups, will be present to honor the veteran (Continued on page Three)

At Monday evening's meeting of the Arlington Board of Selectmen, Frank K. Nicksay, of 63 Charles Street, an employee of the Town of Arlington's Engineering Department, was appointed to succeed Town Clerk James J. Golden, as secretary of the Board of Selectmen, effective as of October 10, 1949. Mr. Nicksay was also named by the Board of Survey to succeed Mr. Golden as secretary of the

RESIDENTS URGED TO OFFER BLOOD FOR BLOODMOBILE OCT. 6

Dr. Richard Moran, blood donor chairman for the visit of the Red Cross bloodmobile to Arlington, said the healthy of Arlington have a chance to be heroes to the ill and injured who need blood.

The mobile unit will be in operation on Wednesday, October 6, at St. John's Episcopal Parish Hall, Pleasant street. The staff of medical personnel and volunteers will be on duty from 1 to 7 p.m. and more than 125 donors are needed to help keep up the supply of blood,

daily demanded by doctors for their patients.

Registrations are being accepted at A.Rlington 5-6540.

Dr. Moran added that this collection of blood is expected of persons who can donate from all walks of life, from all creeds and from all ages from 19 through 59.

"It's easy to donate," said Dr. Moran. "If there is anything difficult about it, it's the erroneous fear that some people have about it. Arms are swabbed with nova-

caine before blood is drawn. There is no pain, no fuss, no bother.

"The facts of the blood collection situation, plainly, are these: hospital patients in Massachusetts need 200,000 pints of whole blood each year and if the healthy don't contribute, the blood just isn't available. Add two and two together and you get lives lost instead of lives saved."

Over the weekend, committee members will conduct an intensive drive to get more donors signed for the blood donor day here.

ST. JAMES —

Dotty underwent 17 long, patience-exhausting and painful plastic surgery operations. This was during the war years and inspired by her spirit, Tokio raider named a B-29 Superfortress the "Dauntless Dotty" for her. Dotty's courage finally was rewarded and she finally emerged from her long seige of hospitalization two years ago.

For the past two years, Miss Myles has been in New York, singing in night clubs and making guest appearances on radio programs over Manhattan stations.

Now, as a singer and singing teacher, "Dauntless Dotty" is back in Boston as the star of a weekly sponsored radio program and will help pay honor to the members of St. James' Girls' Softball team, the diocesan C.Y.O. Champions.

ARLINGTON MEN —

Chairman Kenney has asked all public spirited citizens who wish to help in this concentrated drive to apply to any of the above named Committee Chairmen and volunteer their services to assist in whatever capacity they feel able to devote their time and attention to. It is a Community project in which every citizen benefits and the success of the drive will depend upon the cooperation of the citizens both in working to make the drive a success and contributing to the General Fund.

Arlington receives more in benefits than it contributes each year, therefore to continue the work of these agencies, Arlington should go well over the top in the coming campaign.

Mr. Edward B. Hanify is the General Chairman of the Greater Boston Community Fund Campaign and he resides in our neighboring town, Belmont.

HURT WHEN AUTO FALLS UPON HIM

Arthur Crepeau, 49, of 145 Palmer street, Arlington, was injured last Thursday night, when the automobile, under which he was working in his yard, crushed him, as a jack holding it up gave way.

Members of the Crepeau household and neighbors raised the car enough to free him and he was then removed in a police ambulance to the Symmes Arlington hospital, suffering from chest and other injuries and shock.

Clinic Treatment For Vets Now Available

Out patient treatment at Veterans Administration clinics is now available to all veterans whose ailments have been determined service-connected, regardless of the degree of disability. This was stated recently by Dr. Francis B. Carroll, director of the VA's medical service of New England.

"Many veterans are under a misapprehension regarding the out patient medical service of the VA," said Dr. Carroll. — "It is not true that a veteran must be suffering from a serious ailment or that he must have a certain minimum de-

gree of disability in order to qualify for out patient treatment. If a veteran has any disability which is service connected and which requires out patient treatment, such treatment is available to him. And often such treatment is of great value to the veteran in preventing a disability from interfering with his employment and schooling, or in correcting a condition which if neglected might require hospitalization."

"The location of VA out patient clinics may be obtained readily by any veteran from any VA office."

CDA Plan Reception

Do you love her?

Is she out of town? Call her now by long distance. You get so much — you give so much — when you talk things over by telephone.

For an understanding voice across the miles quickly solves many a personal, family or business problem. What's more, it's so much easier — so much more intimate and rewarding. And it costs so little to get so much. This year there are 180,000 miles of new long distance lines in New England providing about 2200 new circuits between central offices to make your calls go through quicker and clearer.

Why not pay a visit by telephone tonight?

Do you realize how little long distance costs?

ARLINGTON PILES UP 26-6 VICTORY VS. SOMERVILLE

Arlington high school's first appearance on the home field for 1949 proved to be a happy occasion last Saturday as the team piled up a neat 26-6 victory over Somerville with some 3500 fans participating in the welcome home.

Moving behind a rugged, well coordinated forward wall, Don O'Brien, Paul Salisbury and Dick Muello chalked up more than 200 yards from the line of scrimmage as the home team clearly and completely outplayed the visitors.

Arlington scored twice in the first period and added another in the second. Until a fumble enabled Somerville to take over deep in home territory in the final period and forge a touchdown, Arlington's attack was spotty. But O'Brien paced the team to a final score with a 22 yard sprint and a nine yard scoring effort.

It was Salisbury who went over for the first tally. The Arlington redhead went 27 yards, showing a change of pace and plenty of speed after he broke through the secondary. Oppedisano added the extra point.

Jack Cosgrove had his team working smoothly, and it was not long before O'Brien was sweeping end from just inside the five for a second score.

In the third period, O'Brien went to the air. He tossed a neat pass which Dick DeRosas snared beyond the Somerville defenders on the ten. DeRosas kept going and scored the third Arlington touchdown.

The Spy Ponders had a clear margin throughout the game. They outrushed, outpassed and outplayed

ed Somerville all the way. A mark of the superiority is the fact that Arlington did not once kick — on it's only try a fumble resulted. The summary:

"Here's the Pitch"

By "Bump" Hadley
WBZ, WBZ-TV Sportscaster and

THERE'S BEEN a lot written and a lot more said this year about the unusual string of in-juries that the New York Yankees suffered during their great pennant race, and some per-sons are even giving Casey Stengel credit for being a miracle man for keeping the Yankees in the race, in the face of these injuries.

But nothing much has been said about the fact that the Yankees had almost as good a team on the bench as they had on the field. Hank Bauer and Gene Woodling have been substitute outfielders, and when they came through, it was hailed as sensational. Actually, Bauer and Woodling are good outfielders, who could make more than half the teams in the major leagues. As a matter of fact, either could be a regular with any team except the Yankees and the Red Sox.

At least 12 of the 16 major league clubs could use Dick Kry-hoski at first, and yet, he was only a substitute with New York. Snuffy Sternweiss is practically an all-star second baseman—he was the all-star second baseman a couple of years ago—but he's riding the Yankee bench in favor of rookie Jerry Coleman.

Billy Johnson is little more than a utility man with the Yankees, yet he could play third for about 10 of the major league clubs. The answer to the Yankee success is that while they may not have a great team, they have TWO good teams.

Red And Black Scores 21-18 Win Over Swampscott

Once again proving they have the class to pull the close ones out of the fire, Winchester's Red and Black eleven journeyed to Swamp-scott on Saturday afternoon and came back with a 21-18 win over the Sculpins, second straight for 1949.

An early attack which netted two tallies sent Winchester out front and for the second time they barely reached the final whistle out front. It was the toe of Len Smith, sophomore halfback, which provided the margin of victory for the Knowlton men.

With Capt. Paul Amico pounding into the line to draw the Sculpin defenses tight and let speedy Ed O'Brien gain outside the ends, the Winchester eleven scored very early in the opening period. Amico paced the 54 yard march with sev-eral vital plunges thru the middle of the line, and went over from the two. Smith provided what proved to be the winning edge

with the first of his three perfect placements. Coach Martin's men moved back into the ballgame with a steady attack which wound up as Bill Karlyn skirted end for a score from the four. The point attempt was missed and Winchester still was in front.

The Middlesex entry moved fur-ther to the fore in the second period. Again it was Amico whose power paced the parade and it was the Winchester captain who crash-ed over from the four. Smith calm-ly converted.

The seacoast eleven opened up it's passing attack with Karlyn to Corcoran and Coroni and finally a first down on the five.

Here a Swampscott signal went awry, and veteran Bill McGowan nabbed a fumble in mid-air, set his course down the sideline and

sprinted 97 yards for the clinch-er. Smith again.

The Martin men weren't through however. Karlyn opened up as the final quarter got under way. His toss to Jap Corcoran climaxed the march to a touchdown, leaving Swampscott still trailing by 21-12. The next time the Sculpins got the ball, a pass to Freddie Caroni clicked and it was 21-18.

But as was the case at Milton last week, Winchester was able to get the ball and hold it until time ran out and a big threat to a successful season was passed.

Winchester's line showed to ex-celent advantage. The team's pass defense was below standard and is a potential weakness unless clear-ed up. Smith's conversion habit can prove valuable if he can keep it up.

The summary:
Score by periods 1 2 3 4 Total
Winchester 7 7 7 0 21
Swampscott 6 0 0 12 18
Touchdowns — P. Amico 2, Mc-Gowan, Karlyn, Corcoran, Coloney. Points by goal after touchdown—Smith 3.

Post Office Urges Greater Care In Addressing Mail

An increasing number of delays in the delivery of mail caused by the failure of the public to include the house number and street address on mail has forced the Post Office Department to make a nationwide appeal to the public to cooperate in this matter.

Postmaster Francis A. Crowley stated that, particularly in the smaller cities and in many towns, as much as 25 percent of the mail is being received for city delivery without a house number or street

name. More and more they are depending upon the knowledge of the postal men to assure proper delivery. Postal officials pointed out that, while every effort is being made to deliver such mail where the location of the patron is known, the postoffices have been forced to provide many extra handlings and considerably delay the delivery due to the necessity for directory service and re-forwarding service.

Postmaster Crowley pointed out

that a proper address, from a post office standpoint, should include the name, street and number, city or town, (delivery zone number, if any) and the state. In the case of residential delivery, the apartment or suite number is helpful, if known. The abbreviated form of address which has become so common and which the postoffice is now attempting to curb is definitely contrary to postal regulations and is adding heavily to the cost of postal operations, not to speak of delayed service.

Observe Anniversary Of Toastmistress Club

The Winchester Toastmistress Club, organized by Mrs. Edna Crede of Winchester, has the distinction of being the first club of International Toastmistress Clubs to be organized on the East Coast. In celebration of the first anniversary of its Charter presentation, a gala evening combining a demonstration meeting and anniversary party was held at the Hotel Vendome, at 7 o'clock, Wednesday evening, September 28.

Members of the Boston Toastmistress Club, were present as well as interested groups from Wellesley, Ipswich and Quincy, where new Toastmistress Clubs are in process of being established.

Mrs. Helen Pietz of West Medford, President of the group, presided at the meeting. Mrs. Zelma Schwartz, of Boston, was chosen as the Topic Mistress for this special occasion and presented the subjects for the two-minute extemporaneous speeches.

Miss Mae McDonough, as Toastmistress, introduced the following speakers who gave a five-minute prepared speech: Mrs. Hope Powell of Melrose, Parliamentarian "Hoarding"; Mrs. Rachel Bagley, of Ipswich, Junior Past President, "Reaching Higher"; and Mrs. Edna Crede of Winchester, Organizer and first president, "One Year Later."

After the evaluations have been presented by Miss Hilda Hope of Winchester, Vice-President, and Ann Moots of Newton, Program introduced the guest speaker of the evening, Mr. Francis Rooney.

Highlight of the evening was "The Art of Expression" given by Mr. Rooney, head of the English Department at the Somerville High School and Instructor of Public Speaking for the Department of Education. Mr. Rooney has been lecturing in New England for the past twenty years and is very well known throughout Greater Boston. He was formerly instructor of Public Speaking at Boston College and travelled throughout the Orient during the year of 1926. Mr. Rooney visited China, the Philippines, Japan and Hawaii.

The Fall program of the Winchester Toastmistress Club is getting under way in full swing.

On Friday, September 16, over Station WHDH Mrs. Helen Pietz was interviewed by Christine Evans of "Women's Page of the Air". Mrs. Pietz explained the purpose

of the Club, which is to function as a training ground for individuals who want to learn to speak, extemporaneously as well as prepared speeches. If women have some practical experience and are not afraid to get on their feet, they can be very useful in the community, especially today when women carry such great responsibility for the future — being able to express yourself in public with poise and assurance is an important asset.

Mrs. Helen Pietz, of West Medford, President and Miss Hilda Hope, Vice President of Winchester Toastmistress Club are representing the club on the Speakers Bureau Committee of the T. B. X-Ray Program in Boston. There will be a group of 15 speakers in all, supplied by the Winchester Toastmistress Club for the T. B. X-Ray program.

This is an example of the kind of experience gained by Toastmistress members to become qualified in public speaking and to take an active part in the affairs of the community.

The importance of the T. B. X-Ray program cannot be stressed too strongly as everyone should become familiar with its significance. Other groups supplying speakers on this program are the Boston Toastmasters who will supply about 40 speakers. The medical profession will furnish speakers as will the Speaking Organizations among the Boston Bankers. On the Committees there will be Negro and Chinese people, representing their groups.

Keenan that a public hearing will be held at its hearing room, 166 State House, Boston, on Thursday, November 1, 1949, at ten o'clock, on the petition of the Boston and Maine Railroad for approval of the installation and operation of flashing light signals in substitution for gates manually operated part time at the Mill street grade crossing of its railroad in the Town of Arlington.

GARDEN CLUB MEETING

On Wednesday, September 14, about thirty-two members of the Arlington Garden Club visited the Alquist's Natural Rock Garden at South Quincy.

After the regular business meeting of the club, conducted by the president, Mrs. John J. Cox, hostess for the occasion, Mrs. Helen Alquist, conducted an interesting tour of the natural rock garden which has three large pools and an old rustic mill with a three and one half foot water wheel in motion, also perennial fields of beautiful chrysanthemums and zinnias and the greenhouses. Dainty refreshments were served in the garden club room.

Members were reminded that Governor Gore Mansion in Waltham will be open on Monday, October 10 and Tuesday October 11. For tickets and further information regarding "Gore House" those interested may call AR 5-5405.

Elliot Bridge To Be Built In Cambridge

Representative Henry E. Keenan informs the PRESS that the Elliot Street Bridge, which will run from the Memorial Drive on the Cambridge side of the Soldier Field Parkway back of the Harvard Stadium will be advertised for bids next week. The bridge will be of benefit to the people of Arlington going to Boston and will tie in with the new Embankment road which is also to be awarded shortly.

Representative Keenan also was informed by the Metropolitan Commission that the sewer extension at the Alewife Brook will also be awarded to tie this extension in with the Belmont - Watertown

sewer trunk near the junction of the Concord Avenue and Alewife Brook Parkway.

This will eliminate the pollution in the Alewife Brook and with the building of the new pump station at Alewife Brook and Mystic Valley Parkway, which will be in operation within the year, should definitely improve this whole area.

It is anticipated that the Elliot Street Bridge and the Embankment Parkway should be completed at the end of 1950.

These improvements have been called for by the Committee of Metropolitan Affairs of which Representative Keenan is a member.

E. Arlington Ass'n Outlines Fall Program

Due to the expected large attendance of its members at the testimonial dinner in honor of Town Clerk, James Golden, which conflicts with the regular meeting date of the East Arlington Association, the regular September meeting has been cancelled. In its stead a meeting of the Executive Committee was held at the home of Cesare J. Fiorenza, President, at 82 Marathon street, on the evening of September 15.

Several important plans were discussed for the coming season. It was decided that the Association would accept an invitation from member Rev. Warren L. Bixby, to use the gymnasium of the Church of Our Saviour, on Marathon street for the regular meetings of the Association.

New members will be urged to come into the Association and large attendance at the meetings is expected.

The previous policy of inviting prominent guest speakers will be continued and plans are well under way to arrange for a figure well known in public life to address the next meeting of the Association.

Certain officers of the Association who have failed to comply with the by-laws on attendance are being warned and unless they wish to be heard before the Executive

Mr. Charles R. Armour, Director of Veterans' Services, at Robbins House, Arlington, has been informed by Mr. Walter V. Robinson, Veterans Administration Insurance officer for the Boston Regional Office, 17 Court street, that some veterans who have failed to enter the necessary data on applications for special dividend for National Service Life Insurance or who have completed the form incorrectly are asking what corrective action they should take.

Mr. Robinson explained that if only the name or address is missing on both the application and

acknowledgement or if the signature is missing, the veteran should be advised to complete and submit another application. Any other item, if missing or incorrectly completed, will be obtained in Central Office from the index files. If this information is not available, Central Office will correspond with the veteran, furnishing him with a blank application and requesting that he complete and return same.

Veterans are again reminded not to initiate correspondence with the Veterans Administration relative to their applications for the special dividend on G. I. Insurance.

Arlington Boys' Club Offers Unique Red Feather Program

The Arlington Boys' Club, Arlington's most unique organization, is now enjoying its eleventh year, as the character guidance center for 1250 youngsters, during their free time after school hours. The Club started with only a small group of youngsters, stimulated by an earnest and enthusiastic guidance group.

The Club is a Red Feather Agency and the only full time youth serving set-up in the town of Arlington.

Drawing its members from all corners of the town the Arlington Boys' Club epitomizes "Democracy in Action" with its mixture of boys from homes of every description. Here a boy learns to respect the other fellows rights — and to stand up for his own. Here he soon learns that this is his club and the club property and equipment must be taken care of so that other boys will have the same pleasure in the use of the club and its equipment.

The large gym is the center of attraction, however, a wide variety of other interests challenge the attention of the membership. The physical activities of the athletes are easily matched by the efforts and skill of the boy who likes Ping-Pong, Chess, Pocket Billiards Checkers, Shuffleboard and many other able games.

Volley Ball and Basketball play-

ers and bowlers are to be found in sections of the club while other departments are busy with toy-making, leathercraft, metalcraft and photography.

From the quiet boys in the Video and Reading rooms to the energetic youngster finishing his activity with a hot shower and clean towels there is "something doing" every minute at the Arlington Boys' Club.

The eight year old freckle face eagerly waiting for his new ticket to be stamped out soon agrees with the 22 or 23 year old Alumnus that its swell to be an A. B. C. member, he knows that he can always depend on getting attention from everyone on the Staff at the Arlington Boys' Club and every resident of Arlington is urged to get behind the coming Red Feather campaign to see that the Arlington Boys' Club continues to give such wonderful service to the Community.

The officers of the club, Pres. Maurice Sandler, V. Pres. Charles Perham and Walter Kenney, Treas. Walter Cooleage, Sec. A. Henry Ottoson and Club Director James H. Sumner cordially invites the citizens of Arlington to drop in at the Boys Club for a tour of its various activities and facilities.
